His family wrote: "Flash/Frash/Frashii was an avid gamer and computer guru known around the world. His kindness and generosity was a strength to many and his wit was second to none. There wasn't a stray (person or animal) that he didn't want to adopt. He loved to cook, cook, and cook and shop. He was a devoted husband, father, and mentor who could not give enough! He dearly loved his family and cared for them. He will be sorely missed."
